

Autumn newsletter

The Summer holidays may have dragged for some of you, but not for Hitchin Fun Club.

Helped by the great weather, it really was a fantastic Summer. Play leader Angela said “The children were all so well behaved, they played outside every day and everyone had fun”. Given the array of activities, that’s not surprising. The scavenger hunt at Triangle Gardens was a big hit, as was the trip to Paradise Wildlife park. The children made and decorated cakes and the parents even got to see one or two of them when they collected their children!

The police paid a visit to the club—luckily not on official business. The children enjoyed asking the 2 policewomen lots of questions which were somewhat ‘challenging’ according to Angela.

The children made some impressive things over the Summer

One mother’s feedback on Hitchin Fun Club Holiday Club

When I arrived to collect my 2 children ,I couldn't find them. A staff member pointed me to the large den that the children had made together out of sheets, chairs, blankets and tables. I peered in and an unfamiliar voice shouted out 'what's the password?' I didn't know it so I wasn't allowed in. I felt like I was in an Enid Blyton novel. I'm not sure if the children thought that they were the Secret Seven too but they were certainly all having a great time playing with new friends in their den.

I was glad that they'd had a lovely day of activities along with time for old fashioned free play. As a working mum I worry that my two miss out on this as they move from one structured activity to the next. Thank you Hitchin Fun Club for letting my children use their imagination, make friends and just play.

Hitchin Fun Club is open during half term and has great activities to do every day including making bats, a spider special and a Halloween party. Open from 8am to 6pm, new

children are invited to join the fun along with our regulars. Book soon to avoid disappointment.

After school childcare

Hitchin Fun Club and Strathmore clubs run after school every day until 6pm. This includes collection from most Hitchin primary schools. We are currently full but if you are interested in going on the waiting list, please go to our website for more details.
